AMIT BHANDARI

Android & iOS Developer

I am an engineering graduate. Open source and Linux enthusiast. Like to call myself a writer (although I mostly write codes and stuff).

I am fast learner, early adopter, deeply driven and self motivated software craftsman. With pinch of sarcasm, I am die hard fan of music (all kinds of music)

EXPERIENCE

- **SENIOR ANDROID DEVELOPER** | JAN 2018 - ONWARDS
  ALLPS Digital
  - Develop and maintain Android solutions across mobile and tablets.
  - Writing unit, integration and UI test cases.
  - Writing and maintaining stable codebase by implementing Android Architecture Components.
  - APIs integration using third party libraries (Retrofit, okhttp)
  - Analytics integration (Firebase Crashlytics)
  - Occasional API creations (along with Swagger API definition) in backend using Java/Kotlin
  - Continous Integration and Delivery.
  - Converting graphic designs to Android views.
  - Code and resource optimizations.
  - Version control using GIT.

- **APPLICATION DEVELOPER** | JAN 2016 - JAN 2018
  IBM India Pvt Ltd
  - Maintain legacy CFSW (Configurator for Software) codebase written completely in c++.
  - CFSW -> Tool to help mainframe users with their software configurations.
  - Debugging and bug finding using gdb.
  - Get new requirements from client and implement them in legacy code making sure nothing breaks.
  - Coordinating with deployment team for new releases.
  - Supporting customers to help them get their orders through.

- **IMAGE PROCESSING** | JAN 2015 - JAN 2016
  Freelancing
  - Developed algorithm to detect falls in elderly homes or hospital rooms without any hardware sensors.
  - Complete fall detection using OpenCV libraries and machine learning (scikit-learn) in python.

SKILLS

- **HARD**
  - Java, Kotlin
  - Android Studio
  - Swift, Python
  - Adobe Photoshop
  - Linux, BASH
  - API Integration

- **SOFT**
  - Creativity
  - Leadership
  - Team Work
  - Flexibility
  - Management

EDUCATION

- **BACHELOR OF ENGINEERING**
  MIT College of Engineering, Pune
  2012 - 2015
  With aggregate 73%

- **DIPLOMA IN E&TC**
  Government Polytechnic College
  2009 - 2012
  With aggregate 91%
